PROJECTS

My Portfolio

Key Skills: Javascript   React.js   CSS   HTML

Project Link: https://priyal-16.github.io/My_Profile/

This portfolio showcases the complete journey of my personal and professional development.

Management Information System For M.P. Police

Key Skills: ReactJS

Project Link: https://github.com/Priyal-16

This project aims to streamline operations Police department by addressing challenges such as fragmented data management, lack of real-time monitoring, inefficient data sharing, and security concerns. It provides a centralized, secure, and efficient system for managing personnel data and improving internal coordination.

Krishak Sathi – Smart Farming Assistant

Key Skills: Node.js   Express.js   MySQL

Project Link: https://github.com/Priyal-16

I built a farmer-friendly app that offers soil analysis and fertilizer recommendations, with crop-wise guidance using real-time weather and soil data. It also provides alerts, transparency tips, and multi-language pictorial plans to ensure accessibility for farmers

ACHIEVEMENTS

- Selected for Google Girls Hackathon – 2025 Chosen to participate in a national-level hackathon organized by Google, recognizing innovation and technical skills.
- • Chosen for College's Super 30 Program – 2024 Selected among top-performing students for an advanced academic and career development program focused on competitive excellence.

ASSESSMENTS / CERTIFICATIONS

Java (Basic)
